Spring Venture Outdoors Program

by Jason Fisher, Extension Agent/Forestry and Natural Resources

Attention Landowners! Virginia Cooperative Extension will be offering a one-day short course on management options for thinning both pine and hardwood timber. Learn what you should know about thinning a stand of timber for the benefits of stand health, profit, wildlife and overall satisfaction. See insect pests that are wreaking havoc on today's forest stands in Virginia. Learn more about the Virginia Quail management action plan for Virginia. Two locations are available with a cost of **\$10 per person, \$15 per household and includes lunch and materials.** If you are concerned about the health of your existing planned forestland, then this is a **must** class to gain sound advice from experts in the field of natural resources. Presenters from the Virginia Department of Forestry, Virginia Department of Game and Inland Fisheries, Natural Resources Conservation Services and Virginia Cooperative Extension will assist you with your land management objectives from timber thinning to wildlife management. The following two sessions will be offered to allow you the opportunity to attend the one most convenient for your schedule.

- **Halifax County-April 17, 2009** 9 am-3:30pm. Southern VA Higher Education Center. **Register by April 10, 2009.**
- **Campbell County-Lynchburg, May 1, 2009**—9am –3:30pm. Central VA Community College, **Register by April 24, 2009.**

Registration forms and information can also be downloaded at www.ext.vt.edu/offices/, then Halifax and click on “Newsletters”. Or see the back of this flyer.

There is a \$10.00 fee for this course per person, and \$15.00 per household which covers insurance, transportation and lunch. For additional program information details, contact Jason Fisher, Extension Agent ANR, Forestry and Natural Resources at (434) 476-2147.

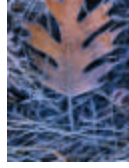

If you are a person with a disability and desire any assistance or accommodations, please notify the VCE-Halifax County Office at 434-476-2147 at least one week prior to the event.

Extension is a joint program of Virginia Tech, Virginia State University, the U.S. Department of Agriculture, and state and local governments. Virginia Cooperative Extension programs and employment are open to all, regardless of race, color, national origin, sex, religion, age, disability, political beliefs, sexual orientation, or marital or family status. An equal opportunity/affirmative action employer.
